Notice

Dear All

We are pleased to announce that the 22nd Annual Scientific Programme committee 2015 has been formed and this programme is going to be organized / held from 6 to 8th of September 2015.

Therefore we would like to request all head of departments, faculties, residents and researchers to kindly follow the guidelines for oral as well as poster presentations and submit their abstracts for this Annual Scientific Programme 2015. **The last date for submission of abstract is 31st August 2015.**

Following are the guidelines for presentations:

Oral presentation

The total time for Oral presentation will be 10 minutes for one presenter, including presentation and discussion time of 8 minutes and 2 minutes respectively.

Poster presentation

The poster should be fixed/displayed during the whole allocated poster session. The Poster size should not be bigger than 100 cm X 85 cm. The presenting author should be present throughout the poster session for discussion. If the presenting author is absent during the session or not available for discussion during the visit of panel of judges at the venue he/she will be debarred from receiving the certificate.

The authors can choose the mode of their presentation. The priority will be given to Presenter's preference, but ultimate mode of presentation will be decided by the Scientific Committee to accommodate all the presentations in three days time.

The authors whose abstracts are not accepted and require gross modifications will be contacted in person or by email.

The format for abstract submission will be communicated shortly.

Thanking you.

Sincerely yours,

Prof. Dr. C. B. Jha
